# Pricing

- Celebration cakes start at \$75 with a minimum of 6-8 servings and increase in price based on intricacy of design and/or number of servings.
- NOTE: We will not make buttercream cakes if the weather is too hot or humid for outside events. These conditions will make your buttercream melt and you will be left with a less than perfect cake. If your cake is more than 3 tiers tall, I will automatically use Styrofoam instead of real cake for second tier and above, and will provide kitchen cakes to serve your guests. Bottom tier will always be real cake.
- Delivery is required for cakes over 3 tiers and above, no exceptions.
- A 4-8 weeks' notice is required, but we might be able to take a last minute order pending an additional rush fee.
- This fee is 20% of your order.
- (Ex. Regular price \$175 + 20% + rush fee = \$210).
- A 25% nonrefundable deposit is required at the time of placing your order to guarantee to your date, along with a signed agreement.
- Any remaining balance is due 14 days prior to your event.
- Failure to pay remaining balance may result in cancellation of order at our discretion.
- If order is made with less than 30 days' notice, FULL payment must be made at the time the order is placed. No cancellations or changes may be made at this point.
- If your order is less than the total of \$250, full payment is required.
